Re: County Letter of Support for CDN/DentaQuest

To Whom it May Concern:

On behalf of the County's Board of Supervisors, I write to support CDN/DentaQuest's proposal to serve as a dental managed care plan for the Medi-Cal Dental Managed Care Program in Sacramento County (RFP 23-3001).

DentaQuest is a national leader in the Medicaid dental space and serves millions of Medicaid recipients from coast to coast. They have a strong record of success in helping state Medicaid agencies increase access to dental care, improve utilization of dental services, and promote high quality care.

DentaQuest made a concerted effort over the last several years to meet with a wide range of community-based organizations and dentists in Sacramento to gain insights into the current Medi-Cal Dental program, and to better understand the challenges that many Medicaid recipients face when attempting to access dental care. We appreciate DentaQuest's commitment to Sacramento through their early engagement efforts.

The County supports organizations like DentaQuest that bring fresh ideas to benefit **Sacramento's most vulnerable and underserved communities**. Please feel free to contact me at (916) 874-4627 or deborde@saccounty.gov.

Sincerely,

Elisia De Bord
